About Us

Littleton's best-kept secret—Libby Bortz Assisted Living Center—is nestled in the charming downtown area so its residents enjoy the best of both worlds. A small town feel in the heart of the big city.

Many may not realize that there is a unique and special history about the services that The Center brings to Littleton and the Denver metro area. The Libby Bortz Assisted Living Center was built in 1994. The Center is a collaborative success for the Littleton community, which cooperated with the Littleton Housing Authority in addressing affordable housing for older adults needing some assistance.

Libby Bortz, a local community member, resident and social worker, was pivotal in recognizing the needs of modest-income adults over the age of 62 to have an affordable assisted living option. In appreciation of her many years of service and volunteering to the Littleton Housing Authority and the community, The Libby Bortz Assisted Living Center was named in her honor.

Income Guidelines

Compared to the average cost of assisted living in the Denver Metro area, The Libby Bortz Assisted Living Center is able to offer affordable rates with high quality services at a fraction of the price.
