

Libby Bortz Assisted Living

Expanded Care & Services

Libby Bortz Assisted Living now offers an expanded care and services package to residents that need extra assistance. To serve our expanded care and services residents, we have newly renovated apartments located on first floor west wing. This location is convenient to dining and activities for those who need extra assistance.

Our enhanced care and services are at an additional cost. Services include dressing assistance, personal hygiene care (daily grooming), incontinence care management, medication management, bathing assistance, escort to and from meals and activities and other care services.

The **Expanded Care Rent & Service Package** is detailed below.
