

Libby Bortz Assisted Living

Expanded Care & Services

Libby Bortz Assisted Living now offers expanded care and services packages to residents that need extra assistance. To serve our expanded care and services residents we have newly renovated apartments located on first floor west wing. This location is convenient to dining and activities for those who need extra assistance.

Our enhanced care and services are at an additional cost. Services include dressing assistance, personal hygiene care (daily grooming), incontinence care management, medication management, bathing assistance, escort to and from meals and activities and other care services.

The levels available are **Level 1 Rent & Service Package** and **Level 2 Rent & Service Package**. Below is a description of the packages.

Care Level 1 Rent & Service Package:

\$4,095/month* (private studio apartment) OR

\$4,495/month* (one-person suite)

- Medication management up to a maximum of 15 medications per day
- Assistance with dressing, bathing, and incontinence
- Staff management of medical supplies and/or equipment, oxygen, and oversight of external service providers
- Assistance with scheduling appointments to doctor, dentist, or other specialists
- Escorts to daily meals, activities, and outings
- Standby assistance for transfers
- Guidance and re-direction for individuals with memory impairment
- Housekeeping and laundry service up to three days a week

Care Level 2 Rent & Service Package:

\$4,895/month* (private studio apartment) OR

\$5,195/month* (one-person suite)

Level 2 includes all items under Level 1 Rent & Service Package, and the following additional care and services:
